UPDATE ON ORNAMENT CONTEST AT HEALTH CENTER

The response to the ornament contest sponsored by the Bethel Area Health Center has been enthusiastic and heartwarming. Children have been bringing in their home-made ornaments daily. Many businesses have been approached to donate a variety of prizes and have been most generous in their response. More important is the genuine spirit of Christmas that has been displayed by all segments of the community. The Health Center thinks that their tree is beginning to look very beautiful but more ornaments are needed. The deadline for submitting an ornament is Dec. 17 and the judging will be held on Dec. 20. There is still time to submit an entry with the maker's name and age on each homemade ornament.

Northwest Bethel

— Clarice Gibson, Corres. —

As one Portland paper put it we have been having June in December. The hardest part is the short days as in just about two weeks we have the shortest day of the year. People have mixed emotions on the weather—some think it is great and others, especially skiers, are waiting for the white stuff.

Friday night we had another accident on our road. It seems a young man from New Hampshire was in Ramford and stole a car. The police gave chase and put up a roadblock on Bridge Street and the young fellow turned down our road. He got as far as the turn by Butters and instead of making the sharp turn kept going forward into the two maple trees by Butters. They say the driver was thrown out and the car burst into flame. Was also told a police car ran into and killed a coy dog somewhere near where Douglass is building his log cabin. Several of the neighbors saw the flames and thought Butters' house was burning.

Bob and Linda Howe went to his brother Tom's, East Bethel, Thursday. Tom's fiancée, Susan Kimball, was also there.

The first was Linda Howe's 29th birthday. Bud and Joan Howe, East Bethel, had Linda and Bob for supper and cake. Tom Howe and Susan Kimball and grandmothers, Ethel Ward and Stella Howe, also joined the celebration.

Frank and Sid Murphy went to her doctor's in Portland for a check-up. After, they went shopping and ate out. Saturday, they went to Berlin and Gorham, shopping.

Joyce Stearns is home from work with a fractured knee.

Bob Stearns and three grandchildren visited Mr. and Mrs. Frank Benson one day.

Sylvia Benson, Toots Sciaraffa, Margaret Belanger and Lella Cole, went to Berlin and Gorham, N. H., for shopping and dinner.

Sylvia Benson went with Margaret Belanger and Toots Sciaraffa to the 50th wedding anniversary for Rev. and Mrs. Millett Cummings at the Methodist Church.

They stayed for the pot-luck lunch.

Mrs. Leslie Lapham also went to the service and lunch.

Nov. 30, Evelyn Hilborn and Bertha Flanders went to Norway, shopping, had lunch in South Paris, and then went shopping at the Auburn Mall.

Dec. 1 Evelyn Hilborn and Bertha Flanders went to the sale at the Legion Hall in Bryant Pond.

The second, Evelyn, and Alberta Angevine, went to Berlin, N. H., shopping and had lunch. Friday, Evelyn and Alberta went to Lewiston shopping and had lunch. Saturday Evelyn and Alberta went to Norway shopping and then took in the two crafts fairs in Bethel and the one in West Bethel.

Eric and Brian Anderson stayed over their great-aunt Elizabeth Morse over the week end, and their mother, Pat Anderson, went shopping in New Hampshire.

John Laban, Sue, and boys, went to Freeport, Sunday, shopping and Amy went with friends to a swimming party at the Molykett Motel.

Myrtle Lapham's nephew, Malvern and Marion Wilson, of Lincoln, had Saturday dinner with

Leslie and Myrtle, and spent the afternoon. Jesse and Myra Doyen, Songo Pond, came while the Wilsons were there so they all had a chance to visit.

Sylvia Clanton and Verna Dyke picked up Myrtle Lapham and took her to the UMW party at Ethel Ward's last week.

Dick, Sue, Kristy and Tim Angevine went shopping in Auburn, Saturday night. Sue observed her birthday Dec. 7 at her home.

Nov. 28, George and Betty Gilbert had a delayed Thanksgiving at their home. Their children, Randy, Mindy and Kaya, and Ronnie, Polly and Justin and Betty's mother, Grace Morrill, joined them.

Mr. and Mrs. Stanley Moore took their son, Stanley, Jr., out to supper and shopping Saturday, in honor of his 12th birthday the 6th.

Seems like we are always on the go here but no big news. Frank called up Wednesday for me to go to South Paris so I stopped and had dinner in Norway with my folks. Mr. and Mrs. George Allen, Thursday, my sister, Iva Holden, and a friend, Holly, came until dinner, then in afternoon my Avon manager wanted me to go out selling with her. Friday had to take the car down to get winter tires. Saturday Frank and I went to the Ripley and Fletcher party at South Paris. Now have to get busy and get some Christmas cards, decorating, cooking, etc. done. George went down Saturday morning to Portland to see his brother Jim, Sue, and Heather, and came back Sunday evening. Saturday, was glad to have Gerry Shimamura and her mother, Thelma Merrill, stop in. Ira called from Japan and Wilfred from Hawaii. Guess things are getting pretty well cleaned up out there.

Never Alone
Sometimes, oh Lord, when I cannot pray,
I sit very still with nothing to say.
But never-the-less, I know you are there,
I whisper your name cause I know you care,
You know that I'm troubled with things on my mind,
And you know I've been weak, so often unkind,
But your spirit is with me, right here in this home;
And I know that I am never walking alone. —Helen Parker

Jeanne Fleet, Corres.
The Windy Valleys Snowmobile Club will hold its Christmas Party on Thursday, Dec. 16, at 6:30 p. m. It will be a pot luck supper with a \$1 gift exchange. Members attending should bring plates and cutlery. Supper will be held in the new Club House adjacent to Lee and June Swan's in North Newry.

Sent in by Viva Yates:
Did you ever watch a flock of Chickadees around a bird feeder? They can sure remind you of a group of people, at times. One will come after another just asking for a fight, and the other won't defend himself, but fly away. It really is amusing as well as interesting to watch the birds. They much prefer the sunflower seeds we have to buy, than a nice slice of bread or a doughnut. Fussy just like people. I enjoy watching them as Joe and I sit at the table at mealtime. They have so much energy and always keep coming back, even if another wants a fight. I told Joe I thought they liked the sunflower seeds best, because they cost so much. What do you think?

We have also had Grosbeaks here to feed but they can't get their heads through the holes in the feeder so don't stay there too long. Joe says he don't care so much about them, as they squawk so loud. Isn't it terrible to feel that way, even with birds?

What a wet day last Monday turned out to be. Peggy said it was a little slippery when she left for work at 3:45 a. m. It looked slippery when we got up later, with a lot of fog to boot, and stayed that way all day.

Tuesday was still not good weather but Russell and I started for Norway just the same. Had to make one of those trips to do errands in Norway, and then to Fryeburg. Didn't have to wait at all this time, so got home sooner than we thought we would. We were very glad of that.

Peggy's daughter Myrna and husband, Bernard White from Auburn, were visiting for a little while, so got to see them. Relatives and friends are what make the world a better place to live in.

Friday afternoon, Russell and I made a quick trip to Norway to pick up an order that had come in. It looked as though it might be foggy, but wasn't bad at all.

Thursday wasn't the best day for me as I had to go to the hospital emergency early in the

morning. Had some kind of a spell but thank the Lord, they didn't find too much wrong. Kind of got me off my feed though, like an old horse.

Saturday I tried a new recipe; zucchini and carrot bread. It is real good so may make more in the future.

In the afternoon, Verna Swan called for a bit, and then in the evening we were off to the Grange Hall at Newry Corner for the Classic Bluegrass Show. I can tell you we were very disappointed that there were only a handful of people who came, and so were the performers. They do such a good job of singing and playing their instruments. Those of us that were there really enjoyed listening to Dick Haines and Eric Wight, and the rest of their group. Also had some music by Dot Canwell and Dick Felt. You were the ones who missed a great time.

Dec. 12 is coming up and I hope everyone keeps it in mind. There will be a Flea Market and Craft Sale at Bear River Grange Hall at Newry Corner, from 10 a. m. to 3 p. m. Lots of things to be sold so you just might be able to get the rest of your Christmas list filled.

At 6 p. m. there will be a public supper of beef stew, topped off with home made pies. Following the supper, you can stay and hear the Northern Lights Singers in their first Christmas program, free. It is sure to be great, so come and enjoy all or part of the day with us. Let's get the Christmas spirit going.

Sunday callers were my daughter and husband, Mr. and Mrs. Michael Woolf, from Lewiston. I hope the mild weather keeps up, just wish it would be clear and sunny more often. Don't suppose we should complain though. It could be a lot worse.

Miss Penny Fleet went with Miss Julie Hastings of East Bethel to Portland on Saturday.

Parker Daye arrived from Florida to visit with the Ed Dayes.

Mr. and Mrs. Ed Daye have been in Vermont visiting friends for the past week.

Mrs. Rita Laurinates and family called on Mary Morin, Sunday.

Don't forget the flea market, beef stew supper and entertainment at the Newry Grange Hall on Sunday, Dec. 12, starting at 10 a. m. A chance to get some good bargains and fun for all.

Mr. and Mrs. Fred Johnson and Brad of Lisbon Falls called on Mr. and Mrs. Charles Hawthorne and family.

North Paris

Eveline B. Vatcher, Corres.
A new week is beginning and it is just like what we had last week. Some day I hope the weatherman Joe Cupo, will find a new word in his dictionary, and it will be spelled Paris. Wouldn't we be surprised if we had a few fair days? Between the Christmas tree lights and the kitchen lights, we will be broke before the holidays even begin.

Miss Gail Oja who teaches in Massachusetts, spent several days with her parents, Mr. and Mrs. Fred Oja and her aunt, Mrs. Evelyn Chamberlain. She came for the funeral of her uncle "Skip" Chamberlain.

Callers at Lawrences: Albert Penley Sr., Sherry Millett, Arnold Coffin, Mr. and Mrs. Albert Downing, Mr. and Mrs. Joe Vatcher, Mrs. Barbara Felt, Sharon and Jennie Felt.

Harlan Abbott is gaining slowly from his recent accident at the Stowell Wood Products mill and says he might possibly get home

by the last of this week if he is a good boy. He has a cast on his leg to below his knee, two shiny black eyes and a big sore nose, and he looks like he fought in the battle of Bull Run. He was one lucky boy, and we will over look all his bruises for now. Several from here have called on him at C. M. M.C. at Lewiston. I made a belated birthday cake that day of the accident, and he was to have supper with us and share fresh shrimp stew. He had never eaten any before. So we will try again when he gets righted around.

Joe and Evelyn Vatcher patronized the new Chinese Restaurant on Route 26, and what a feed and what a crowd. All the orders that we saw looked very appetizing. A helper brought in a 20-quart pail of cooked rice and it disappeared fast. We didn't ask for chopsticks.

Doris Lawrence was sick all last week. Intestinal flu.

Mr. and Mrs. Robert Vatcher, Danvers, Mass., called on his aunt Rhoda Vatcher, Friday afternoon and he put some insulation down cellar for her to help keep the floors warm.

weather permitted. Other times, he went with his sisters and older brother with the horse and buggy.

As he grew older he naturally had an eye for pretty girls and when he was 19, he met, courted and married Fay Bickford of East Stoneham. Seven children were born of this marriage. Myron, the eldest, passed away at 39 years. The others were Gwendolyn, Josephine, Kathleen, Walter Lee, Stanley and the youngest, Faye, born when her mother died of childbirth at the age of 31 years. There are now 25 five generations on Walter Lord's family tree.

Walter was a farmer by trade, but also had a love for dickering or trading, so got into the cattle business and became a meat butcher and ran a peddle cart with meat, milk and butter throughout the nearby towns and as far away as Gilead for many years. He was a substitute mail carrier in North Waterford, Albany and Stoneham for some 25 years.

After he lost his first wife, he married the former Eva Upton of North Norway. No children were born of this marriage; but she was a wonderful stepmother to his children all through the years until she passed away.

Walter was a registered Maine hunting guide for many years and boarded hunters and hunted with them. They came from New Jersey, Connecticut, Indiana, Illinois, and Vermont. Many of them came back each year to visit Walter. Only last week, three from Connecticut came just to see "Pod".

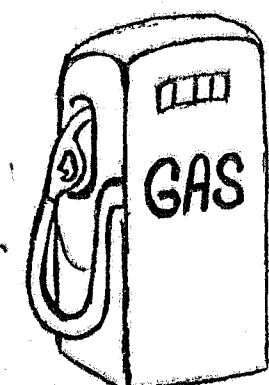

He continued his love for dancing all through the years, attending Lakeland, Odd Fellows Hall in Auburn, and all around the State of Maine! And he even tried to dance as recently as two years ago. He also had a car from 1912 on through the years and had a driver's license up until he was past 92. You are quite a guy!" So on this, your 100th birthday: "This is your life, Walter Lord."

Selectmen Stephen Wight and Roger Hanscom and Road Commissioner Marshall Fleet met at the Sunday River Skiway Friday morning, Dec. 3. They inspected the improvements made by the Skiway to the cul-de-sac on the Salzman Road at Sunday River Village and the cul-de-sac was improved. They met with Leslie Otter, Owner-Manager of the Skiway and informed him of this, and also discussed winter maintenance of the access road to the Skiway. Otter expressed concern that in the past the road had been snow covered and slippery, making travel difficult, which hurt his business. It was agreed that the Skiway would furnish the Road Commissioner with the daily weather forecast which they receive at 9 a. m. with an afternoon update. The Town officials assured Otter that they would make an effort to

keep the road in good condition, but explained that there might be times during a storm when traveling was difficult, since there are other roads that also have to be plowed and sanded. It is hoped that by better cooperation between the Skiway and Town that conditions will be improved this coming winter. Otter explained that he planned to contact State Representative Karen L. Brown, about obtaining State Funds under the Recreational Road Access Act to rebuild the access road to the Skiway. The Selectmen also agreed to investigate this, although Hanscom expressed doubt that the funds would be available. A letter was written to Otter informing him of the approval of the cul-de-sac and that the road would be plowed this coming winter. In the past the cul-de-sac had been too small, making it difficult for the plow truck to turn at the end of the dead end road. Otter gave Wight, Hanscom and Fleet a tour of the South Ridge Base Lodge which has been enlarged and improved this year.

M. S. A. D. #44 SUPERINTENDENT'S NEWSLETTER

Dr. Wayne F. Gersen

In September, 1980, one of the first Superintendent's Newsletters described the problem of alcohol and drug abuse in the five towns of S.A.D. 44, and indicated that S.A.D. 44 would sponsor a community drug and alcohol team to begin to address the problem. In November 1980, concerned citizens of the five towns of the district formed the Chemical and Drug Education Team (C.A.D.E.T.). This team's efforts at providing information on the disease concept of chemical dependency have gone

largely unnoticed to date, and the complexity of the problem and the general apathy has been a frustration to team members during the past two years. This year, however, the C.A.D.E.T. members have a new commitment, and a cautious optimism about making some inroads in this area. New C.A.D.E.T. leadership and new C.A.D.E.T. members have initiated several activities to address the problem of chemical dependency.

In September, CADET sponsored a movie, "Gong on Nowhere". This film, which dramatizes the impact of teenage alcoholism, was shown to the entire Telstar Regional High School student body, and to the Telstar parents at the fall Back-To-School Night.

During this month, Telstar faculty members on the CADET team: Dan Hart, Telstar Guidance Counselor, Suzanne Taylor, English instructor, Marjorie Bartlett, District Nurse and Warren Bouchard, Telstar High School Principal, plan to conduct several small group workshops with Telstar students during their mid-day study period. These workshops will make students aware of the disease concept of drug and alcohol abuse, and let students know that counselors, faculty members and administrators at Telstar are willing to work with students to address any problems that face them related to chemical and drug abuse.

Also this month, on Dec. 22, Walter Buotte, Mexico High School Principal, will address the students at Telstar. His topic will be self-esteem, peer pressure, and their relationship to drug and alcohol abuse.

In the coming months, CADET members will try to make the community, parents, and students fully aware of the disease concept of chemical dependency. CADET hopes these awareness sessions will cause students to reflect on some of their "panting" habits, and make them begin to recognize that alcohol and drug abuse can result in serious problems. CADET members realize that these awareness sessions will not eliminate alcohol and drug abuse. However, CADET members, Telstar faculty and administration, and concerned Telstar parents and

REV. AND MRS. CUMMINGS OBSERVE 50th ANNIVERSARY IN BETHEL SUNDAY

Rev. and Mrs. E. Millett Cummings were honored on Sunday at the Bethel United Methodist Church with a special service, luncheon and party in celebration of their 50 years of marriage. The affair was planned by their daughter, Mrs. Beverly Merrill of Rockland, assisted by other family and friends. The beautiful

church service in their honor was conducted by Warren Bouchard, who also preached the sermon, with special music by the choir and the Cummings' granddaughter. Members of their family gave highlights of the couple's lives and presented them with a set of albums which include photos and a story of their 50 years together. Also during the service, new members of the Cummings family, Sara and Adam Lomitoz of Graniteville, Vt., were baptized by their great-grandfather, Rev. Cummings.

E. Millett Cummings of Livermore and Miss Chloe Hubbard of Portland were united in marriage Dec. 24, 1932, in Portsmouth, N. H. In addition to their daughter, they have six grandchildren and two great grandchildren. Their only son, Dr. Philip W. Cummings, died in Hanover, N. H., in January of 1968.

Rev. Cummings has been pastor of the Bethel United Methodist Church for three years, prior to which he served for 11 years in Norway, South Paris and Bolsters Mills churches. He was lady leader for six years at the Chestnut Street Methodist Church, Portland, and for five years lay leader in the Portland District and Maine Conference of United Methodist Churches. When not at the parsonage in Bethel, Mr. and Mrs. Cummings make their home at 32 Beal Street, Norway.

Attending the celebration on Sunday were family (many nieces and nephews) and friends from Nashua, N. H., Graniteville, Vt., Jay Livermore, Canton, Wilton, Rockland, Norway, Ogunquit, Kennebunk, Lewiston, Mexico, West Peru and Bethel.

Letters to the Editor

Bethel, Maine
Dec. 8, 1982

To the Citizens of S.A.D. #44: This Monday, Dec. 13, at Andover, your school board will consider at my request, the unfair and discriminatory treatment of Telstar athletes.

As a parent of high school athletes in this district, I am asking our school board to repeal the existing procedure whereby two Telstar students, each of whom break the same rule, are treated inequitably: the athlete is much more severely punished.

Please attend the board meeting in Andover this Monday! If you can't, call your board representative. We are only asking for fairness and equality. Thank you.

Michael J. O'Donnell

To the Editor: What has happened to the personal touch that the Administration used to have?

What has happened to "The Children Come First" feeling that there used to be?

Has this all been given up for power hungry Administrative procedures?

Is the present Administration constructive for our children or destructive?

These are questions I've asked myself and others since I heard of the resignation of Mary Jane Gaudreau.

Why is it that a teacher of 20 years, through many changes in Principals, Teacher Principals, Superintendents, etc., feels she has to resign, and cannot continue to teach the children she has devoted her teaching years, extra time, love and devotion to???

As a co-worker for 10 years I

can truthfully say Mrs. Gaudreau is one of the best teachers I have ever been in contact with.

I am very saddened and frankly quite sick to think that after December 13, 1982, when it will be presented to the board that Mrs. Gaudreau will no longer be 1st grade teacher at Elsie Bisset School, WHO WILL BE NEXT???

As a taxpayer, citizen and parent I find it very hard to understand that others can let this slip by without finding out the real facts and reasons for this sort of thing to even get to the point it has.

Before the board meeting Monday night the public has 15 minutes for open discussion.

WILL ANYONE SPEAK UP???

Walking With Jesus Christ

Forty years on the New York-Brooklyn water front taught that conversation can be soundless and perhaps more profound than that of the tight lipped New Englander. In the old days of break-bulk cargoes the "mostly" Italian stevedore could transmit his thoughts above the noise and clutter in modes of conversation that outwitted even the speed of light computer.

A working "on the job" Christian having conversation with his Lord—"enjoying God's company"—reaches an ultimate that nothing else compares to. It is a two way street—being attuned to God—bringing pleasure without measure.

Being on a spiritual wave-length with God does not mean we're equal to Him. He is not a grocery store check out clerk as we often think praying for His "blessings". He is a Holy God capable of impossibilities and His anger something fierce. He is not a God of confusion—His answer is yes or no—maybe. Jeremiah 33:3—"Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not."

If we have a problem with prayer—it's our own fault—bad connection—His line is open—an 800 number—free call. Either there's sin in our life that needs taking care of by confessing it to God and to those we have a fault with—and or our faith is not what it should be. "For by faith did Abraham"—Hebrews 11.

Prayer is the most vital part of a working relationship with God. Spoken prayer does not have to be fancy with thees and thous—just plain (ourselves) talk. God knows, didn't He "scatter the people abroad" when they tried to reach heaven via a tall building? God confounded the language of all the earth." Gen. 11:9.

While we're on earth—in this world—there's only one way to reach heaven—and that is through Jesus Christ our go-between as He told Thomas—John 14:6—"no man cometh unto the Father, but by me."

The Bible tells us Christ hears our prayers and intercedes for us on our behalf that we may rightly be heard by God who then acts according to His will—not always ours. "Likewise, the Spirit also helpeth our infirmity; for we know not what we should pray for as we ought; but the Spirit Himself maketh intercession for us with groanings which cannot be uttered." Romans 8:26.

Prayer in praise and petition builds a common bond as Christians join together in fellowship enjoying God's company.

MIDDLE INTERVALE MEETING HOUSE SOCIETY

In October the members of the Middle Intervale Meeting House Society met at the Meeting House and with President Stanley Howe presiding reviewed the year's work and future plans.

Unfortunately it was impossible to use the Meeting House, this summer, for a concert or other fund raising programs, due to the painter and plasterer not returning to complete this work. The members voted to have the painter sign an agreement to complete his work by June 30, 1983., at the latest.

The President appointed a Grounds Committee. They are Harry Kuzyk, Rebecca Carter Bailey, Phyllis Dock and Donald Eddy. Their recommendations will be reported at the next meeting.

Rodney and Stanley Howe have agreed to put up remaining line fence. The Restoration Committee is to present a progress report in May 1983. The chairman of this committee is Stanley Howe, and members are Elizabeth Carter, Edwin Guyer and Mary Verenis. The new Program Committee

THIS WEEK AT THE MOSES MASON HOUSE

On Friday, Dec. 3, the Moses Mason Museum hosted the Museum Panel of the Maine State Commission on the Arts and Humanities. Museum Director Stanley Howe welcomed the group to Bethel and presented a slide lecture on the Museum. Among those attending were Alden Wilson, Executive Director, Maine State Commission on the Arts and Humanities; Sandra S. Armentrout, Director, The Brick Store Museum, Kennebunk; Hugh Gourley, III, Director, Colby College Art Museum, Waterville; Patricia Nick, Museum Consultant, Vinalhaven; Eldridge H. Pendleton, Director, Old Gaol Museum; John Carter, Director, Maine Maritime Museum, Bath; Karen Bowden, Director, Maine State Humanities Council; Nancy Lee Snow, Consultant, Falmouth Foreside.

Society Director Stanley Howe attended a symposium on Dec. 4 relating to "Maine at Statehood: The Forgotten Years" at the Portland Club. The symposium, funded by the Maine Humanities Council, is part of a year-long effort to familiarize the public with the history of this formative period (1783-1820) through exhibits, publications and teacher workshops.

December is membership month

Chairman is Mrs. Arlene Greenleaf Brown, assisted by Beatrice Buck and Edward Hastings. This Committee is to function as subsidiary to the Fund Raising Committee which has as Chairperson, Mrs. Elizabeth Carter, and Frances Alexander, Maxine Brown and Edwin Guyer.

The Society is hoping to have the Meeting House available for use by anyone requesting it for special events, or weddings, Christenings, Memorial services, etc. (on approval of the Directors) during the summer season of 1983. Already Mrs. Carol Gersen has inquired about using it for the local Quilt Society Exhibit during Sudbury Canada Weekend, Aug. 13-14, 1983, and the concert planned for this year will be held.

One of the fund raising projects is selling Meeting House stationery and Mrs. Louise Annis (Tel. 824-2611) who is in charge of this, has some packages available, which have the sketch of the Meeting house by Helen Morton. These make nice gifts with Christmas at hand. New stationery is to be available by spring.

There are some foundation stones still unsold, in the project to raise money from that source—\$100 per stone and can be used as a Memorial if desired—stones, of course, not to be removed. Contact Mrs. Rebecca Carter Bailey, 824-2434, (or President Stanley Howe, 824-2908), for information about these.

HISTORICAL SOCIETY HOLDS ANNUAL CHRISTMAS PROGRAM

Christmas at the turn of the century was recalled at the monthly meeting of the Bethel Historical Society held last Thursday evening in the meeting room of the Dr. Moses Mason House. A wide range of artifacts that had once graced a child's Christmas tree many years ago were brought in by the more than 50 persons attending. These ranged from cloth dolls to story books to child's chairs and were discussed and commented upon by the audience under the leadership of program chairman Helen Morton. Following this portion of the program, Mrs. Joy Yarnell of Upton presented a slide lecture on English period gardens and great houses, pointing out the similarities and contrasts between these gardens and those in New England.

During the business portion of the meeting President Donald G. Bennett announced that the next meeting would be held on Jan. 6, 1983 and will feature the annual "So You Think You Know Bethel" The artifact of the month was announced as a Christmas card collection from Mary Valentine. A mystery photograph was circulated which was given by Hope Tibbetts but no one present could identify it.

President Bennett announced that the 1982 Endowment campaign was now at \$1,125 from 33 contributors and that anyone wishing to make a contribution for the current tax year should do so by Dec. 31. A diorama featuring Mol-

MAPS TO BE DISCUSSED AT WOODSTOCK HISTORICAL SOCIETY MEETING

The Woodstock Historical Society will be meeting Saturday, Dec. 11, at 7 p. m. at the elementary school, Bryant Pond. The program will be a talk on topographical maps of the area by Selectman Clifford York. The Historical Society has a number of interesting maps in their collection of artifacts.

Curator Larry Billings has donated to the Historical Society items from his private collection: a fine pink lustre cup and saucer, a straight razor-Swedish steel, and a wax sealer for letters — very old. Over the years more will be forthcoming. Why don't you follow suit and make a Christmas gift to the Society?

WE'RE OPENING THE

GROAN & MCGURN

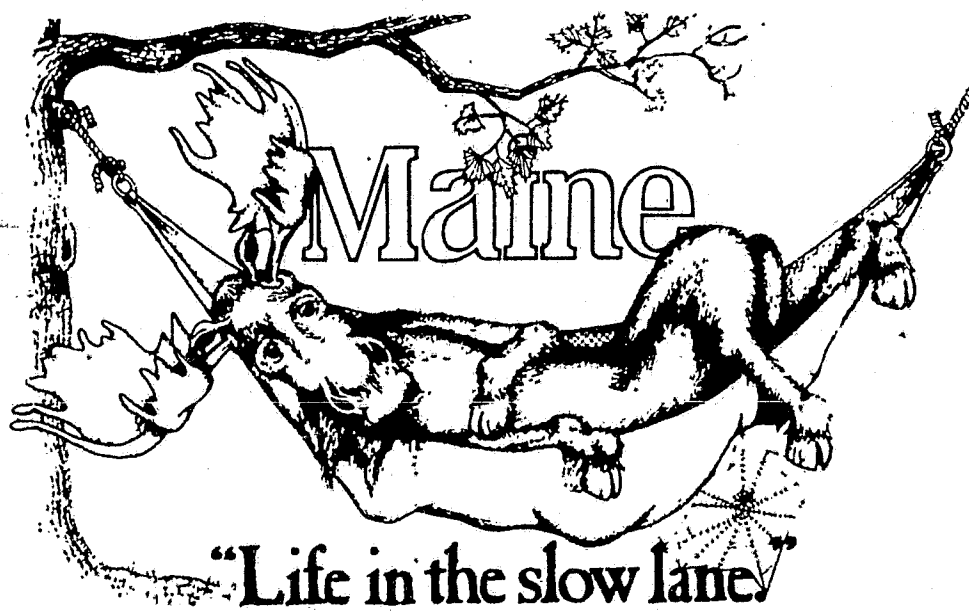

TOURIST TRAP & FACTORY OUTLET

Formerly the L & F Country Store 3 miles west of Bethel on Rt. 2

We introduced our **Original Maine Coon** on T-shirts in the summer of 1978. The response was so great that we kept on designing. We now carry over 60 designs that are screen-printed on T-shirts, bags, sweatshirts, baseball shirts, nightshirts, and more.

1982 has been the **Year of the Moose** for us, with Life In The Slow Lane starting a surge of moose designs that include the Laidback Moose you see here; the moose sitting on a stump, saying, "Yuh not from round here are ya?"; with all his animal friends, saying, "I love Maine." And again, holding a hunter, saying, "Don't Shoot the Natives"; or riding atop the family car "Touring Maine."

We've had a ball sharing our ideas and art work with you at craft fairs and retail stores all over New England. Now you'll be able to find us all the time. At the Trap and Outlet, you'll find the largest selection of **Groan & McGurn** goods in the world, plus a pleasing selection of other people's creations—from pewter to inedible slices of scrumptious-looking pie!

Please come in and wander through our wonders . . . this December for Christmas presents or this winter to break your cabin fever. Come again in spring when our greenhouses are in their splendor.

From now until Christmas we will be open 9 to 6 Mon. thru Sat. The rest of the winter 9 to 5 Mon. thru Sat. (Maybe more come Summer.) **OPEN HOUSE SPECIALS, SALES & GIVEAWAYS** every Fri. and Sat. until Christmas.

Special Note: Play area for kids so parents can shop. And for a while, free balloons to the kids. Remember—we have something for everyone and factory seconds at greatly reduced prices!

BKYSL CHAMPIONSHIPS

continued from Page One
Insurance Company through its PEP (Physical Exercise Pays) program.

The Youth Ski League is named after an outstanding athlete, Bill Koch (pronounced "coke") who became the first American ever to win a medal in Olympic cross country skiing competition. After many years of dedicated training, Bill became a silver medalist in the 1976 Winter Olympic games. Last season Bill was winner of the World Cup making him the top cross country skier in the world. Following Bill's example, the BKYSL strives to promote fun, dedication, sportsmanship and a love of the sport. The Ski League Pledge: "The toughest competition is always against ourselves. We compete to be our best, not to be better than the rest. And above all, we ski to have fun!"

For eight weeks beginning in January, youngsters travel to neighboring towns Sunday for races. Generally Sunday race days become a family outing. The boys and girls compete in races that emphasize fun and instruction over competitiveness. Everyone gets to race and everyone wins a ribbon each week. At the end of the season the most consistent top four finishers in each class are chosen to compete for the District at the Regional Championships, which will be held in Bethel this year.

The Regional Championships will bring approximately 350 young competitors plus their brothers, sisters and parents to Bethel to participate in this festival, making it one of the larger community events of the area in the coming season.

Suggestions, or offers to teach should be given to Cathy Newell at the Adult and Community Education Office, 824-2136, within the next two weeks.

The Extension Credit Option Curriculum coordinator for Maine Sharon Martin of Westbrook, visited the S.A.D. 44 pilot program on Tuesday, Dec. 7. She reviewed policies and procedures with S.A. D. 44 A. and C. Ed. director Cathy Newell and E.C.O. Coordinator Randy Bennett, also meeting with Adult Education Learning Center teacher, Ann Holt. Currently six students are working on their high school diploma through external credit with three more set to join in January. Any adult interested in the program should contact Cathy Newell.
